

BE PART OF
OUR TEAM

TO ENHANCE OUR TEAM:
JUNIOR OR SENIOR .NET DEVELOPER (M/W)

WHERE? Pezinok

TYP? Permanent

SALARY? negotiable

YOUR ROLE INVOLVING THE FOLLOWING:

- + You will be part of a small, yet international development team.
- + We are developing a new backend system which will globally manage most products of our customer.
- + Some of our projects are in agile and using Scrum, you'll be integrated in all stages of the development.
- + As part of the self-organized team, you'll share the responsibility in the quality of the product as well as the efficiency of the development progress.
- + Since we're using latest state-of-the-art technology and architecture, we expect you to be able to adapt to new technologies and development practices quickly.

QUALIFICATIONS AND REQUIREMENTS:

- + Experience of ASP.NET, C#, VB.NET and WPF.
- + Knowledge in Oracle, JavaScript and the .NET framework in general.
- + Excellent communication skills in both German and English.
- + At least basic knowledge of the Scrum framework.
- + Experienced in handling of data models and databases, preferably based on graphs.
- + Dependable, flexible team player.
- + High quality awareness.
